

# Conversation about Hurricanes

## Part 1

Student 1	Hi! Did you watch the news today?
Student 2	No, what's going on?
Student 1	Well, a very big storm is coming later this week.
Student 2	Really, what kind of storm?
Student 1	A hurricane.

## Part 2

Student 2	Are hurricanes dangerous?
Student 1	Yes, hurricanes have fast winds and a lot of rain.
Student 2	Do we need to do anything to get ready for the hurricane?
Student 1	Well, we will have to watch the news. We are pretty far from the ocean so we will probably only get a lot of rain and a little wind.
Student 2	That's good. I have to go now, so I can watch the news and find out more about this hurricane.
Student 1	Okay, I'll see you tomorrow. Bye.
Student 2	Goodbye.
