In Flanders Fields
In Flanders fields the poppies grow
Between the crosses, row on row,
That mark the place where many lie
In Flanders fields the poppies grow.
We are the dead. Short days ago
We lived, like lambs, our担负重
Lived, and we loved, and now we lie
In Flanders fields.
In Flanders fields we sleep, we sleep,
Till we wake up again with the fox;
In you from finding hours we return
To you; to you to hold it high!
If ye break faith with us who sleep
We shall not sleep, though poppies grow
In Flanders fields.
John McCrae
