

Halloween Jack-o'-lanterns

Halloween is coming. Kids are excited. They are getting ready for Halloween. They are carving jack-o'-lanterns. How do you make a jack-o'-lantern?

First, you have to get a pumpkin. Some people get their pumpkins from farms. Other people get their pumpkins from stores. Some people even grow their own pumpkins.

When you choose your pumpkin, you have to think about what kind of face you want to make. Then, you have to choose a pumpkin with a good shape for that face.

Next, you have to cut the top off the pumpkin and scoop out the seeds. Then, you have to draw a face and carve the pumpkin. Finally, you have to put a candle inside. That's how you make a jack-o'-lantern.
