Sample Questions & Answers:

Beginner:

1.) Do you like coffee? / Do you enjoy coffee? / Are you a big coffee drinker? / Do you love coffee? / Are you a fan of coffee?

I have a cup of java first thing in the morning. So, yes. I love coffee.

2.) Do you drink coffee at home or do you always stop by a cafe?

Due to my hectic schedule I usually always grab a coffee while on the run. The only coffee I drink at home is in the morning.

3.) Do you brew your own coffee at home or do you mix instant coffee?

When I'm out of options I'll make a cup of instant coffee. However, I'd much rather brew a pot of coffee at home.

4.) What is your favorite type of coffee?

I drink my coffee black. Sometime I'll add two sugar and two cream if it's really bitter.

5.) Does caffeine keep you up at night? Does coffee give you a noticeable boost?

If I drink more than a few coffees within an hour I get the jitters. So yeah it hits me pretty hard.

6.) Do you drink any other caffeinated beverages?

I enjoy diet coke with my meals, especially dinner. I'm not a big tea drinker, unless of course I'm under the weather.

Intermediate:

1.) How do you take your coffee? (This is a common way of asking someone if they want anything added to their coffee.)

I'll have a double-double. (A double-double is a common way in Canada to ask for double sugar and double cream. There is also a triple-triple.)

2.) How many cups of coffee do you drink throughout the day?

I usually drink three cups of coffee throughout the day. If I'm overworked I might polish off a few more cups than usual.

Absolutely! The only thing I crave more than my morning coffee is my morning cigarette. I have a tendency to enjoy the two of them together, as they go hand in hand.

Advanced:

1.) Do you prefer franchise coffee shops or "mom and pop" coffee shops? Why?

I find "mom and pop" coffee shops to be much more cozy and unique. The service is also of a much higher standard. So while I am in my neighborhood, I tend to go to "mom and pop" cafe's. However, if I am on the go and need a coffee quick and hassle free I tend to go to a franchise shop. I'm a big fan of Starbucks.

2.) How much is too much for a cup of coffee?

If I am with a group, I don't mind spending a little more and sitting down and enjoying the atmosphere. In these situations I don't mind spending a little more for coffee and cake, usually around ten dollars. If I'm grabbing a coffee on the go I don't like to spend more than a couple bucks.

3.) What is your favorite style of coffee?

Hands down, cafe latte is by far my favorite coffee.

4.) What beverage do you prefer while eating? How about after meals?
