

## MIGHT/MAY/COULD/SHOULD/WOULD/WILL/MUST

---

I might have time. I'm not sure yet.  
I may go with you. I'll decide soon.  
I could bring my friends if you like.  
I should probably leave tomorrow.  
I would come but I have to work.  
I will definitely be there later today.  
I must remember to call them.
