

What is the US Constitution?

The US Constitution is the highest law in the land.

We the People

The US Constitution sets up our plan of government.

The US Constitution protects the basic rights of all people in the United States.

The US Constitution talks about the qualifications, rights, and responsibilities of US Citizens.

What is Constitution and Citizenship Day?

We celebrate US Constitution and Citizenship Day on September 17.

We talk about the US Constitution and Citizenship.

We sign the US Constitution.

We have a party and congratulate new US Citizens.
