

## What our clients say

*"Recently I came to the Pantry for food. It was an agonizing decision and one that came out of desperation. I worried profusely about having to go to a pantry for food and not knowing what to expect.*

*"When I arrived, everyone was kind. I was overwhelmed. There was more food than I had seen in a very long time. I started the day with a refrigerator full of air and ended the day with more food than I could ever imagine.*

*"I want to thank everyone (vendors, donors, volunteers) that make the pantry possible."*
