* **Important:** RENTCafe is a nationwide platform through which property management firms, housing authorities and other similar organizations provide their clients access to information regarding their account.

As it's a shared platform used by many organizations, a given email address can be used only once as a User Name to create an online account with an organization; the email address is then specific to that online account. As a result, the email address cannot be used to create a RENTCafe account with another organization.

If you should have an existing account with the DuPage & Kendall Housing Authorities, you will receive a pop-up message (as shown on the following page) after entering your email address indicating there is an existing account.

If this occurs, see the instructions on the following page as to the next step.

Note: If you've received a pop-up message like the one shown below after entering your email address during the registration process, there is an existing account in the RENTCafe system tied to this email address, and the pop-up message will identify the online community where your account exists.

If the pop-up message indicates that you have an account with the DuPage & Kendall Housing Authorities, go back to the Login page and request a password reset (if difficulties with the reset process arise, you can contact the DuPage & Kendall Housing Authorities for assistance)

*** Important:** If your account is with an online community other than the DuPage & Kendall Housing Authorities, you will have to either use a different email address to create your account or have the account with the other community deleted so that you can reuse that email address.

When future Wait List openings occur, the application process will take place online, within your account. When applying for an open Wait List, log into your account and the Wait List application process will begin automatically.

DuPage and Kendall Housing Authorities posts notifications of Wait List openings on their webpages, www.dupagehousing.org and www.kendallhousing.org, as well as information regarding other social service agencies. Please follow our websites to learn of future Wait List openings.

The screenshot shows the user's online account home screen. At the top, there is a header with the DuPage and Kendall Housing Authority logos on the left and a phone icon with the number 630.690.3555 on the right. Below the header, the user is greeted with "Hi, J" and a dropdown arrow. The main section is titled "My Applications & Certifications". Under this title, there is a card for the DuPage Housing Authority, which includes the agency's name, address (711 E Roosevelt Rd, Wheaton, IL 60187), and a message: "We are sorry, but we are not accepting applications at this time. All of our waiting lists are currently closed."

- 7.) Now that registration is complete, from this point forward, all you will need to do is enter your User Name (which is your email address) and password into the fields on the Login screen (accessed by clicking or selecting the 'Applicant Café' button on the www.dupagehousing.org website) and clicking or selecting 'Login' to access your account.
