Reasons Why it's Important to Vote:

- To make a change
- Can't complain if you don't vote
- To exercise my right
- Set an example for the family
- For my children's future
- My vote gives me a choice
- To make sure my community has a voice in the political process
- Not voting is voting- you let others make the decision for you
- I'll be living in conditions affected by the elections
- The issue affects me personally
- Can change what government looks like
- Doesn't take much time
- Lots of choices (e.g. vote at home by mail, vote early)
- To support the cause(s) I believe in
