

**RE: ASCE Southern Colorado Branch / NSPE
2020 Golf Tournament June 29, 2020 – Perry Park Country Club**

Hello all,

The American Society of Civil Engineers Southern Colorado Branch (ASCE-SoCo), is teaming with NSPE-CO for the 2020 annual scholarship fundraising tournament on June 29th at the Perry Park Country Club in Larkspur, CO.

We would like to take this opportunity to invite you to join dozens of other regional engineering and construction related firms and organizations in the support of this annual event. ASCE-SoCo is proud to be into our eleventh year of issuing scholarships to civil engineering students at Colorado Universities. Our plan is to continue to grow our scholarship program and offer additional scholarships as our fund continues to grow. Your continued support is making that plan a reality. NSPE-CO supports engineering and scientific education activities locally including Bridge Building for high school students, MATHCOUNTS for junior high school students, and other educational programs and scholarships.

This golf tournament serves as the primary source of revenue for funding these educational and scholarship programs. We are currently seeking sponsorships from the local business community to provide support for this worthy endeavor. On the second page of this letter is a breakdown of the various sponsorship levels you can participate in and what benefits your company will receive in return for your sponsorship.

We appreciate your consideration of this proposal and hope that you can be a key supporter of this fundraising golf tournament and the worthy educational and scholarship programs.

Sincerely,

A handwritten signature in blue ink that reads 'David Ziegler'.

David Ziegler, PE
ASCE-Special Events Committee
