Let's pray for the young stars of the new Disney movie **Crater**. You can pray that they would have wise set teachers who will help protect them in body, soul and spirit. That they would have Godly role models to learn about how much Jesus loves them. That their families would be strong and wise. That they would be protected and encouraged.

These four young people are all in the Amazon Prime show **The Summer I Turned Pretty**. Let's pray for their futures by asking God to guide them and surround them with His wisdom. And that they would have people that would share the love of Jesus and encourage them in their journey.
