

HOUSE DEMOCRATS CALL LIST 2026

The CGA main switch board is 860.240.8585. The operator will ask who you are trying to reach and then connect you. The alternate numbers below may be more specific to an aide or a committee. Either will work. One house aide covers multiple representatives. If you get an answering machine you might hear "Hi you've reached [name] aide to Representatives X,Y,Z etc..."

If you can catch all the rep's names, then you can cross those off your list. Whether you reach an aide or machine, state your name, town, and that you are calling to ask them to vote no on HB#___, thank you! If you want to give a reason keep it to 1-2 sentences. That's it! This can make an outsized impact when we all work together, and it is something everyone with a phone can do!
