

## **UGA NEW WORLD SCREWWORM PREPAREDNESS WEBINAR**

**March 19 7 p.m.**

**Register at [www.tinyurl.com/screwwormUGA](http://www.tinyurl.com/screwwormUGA)**

The UGA Extension Beef Team is hosting this free, educational webinar that will cover how to recognize signs your herd is infested with NWSW, practical prevention and response strategies to implement with your herd, and an update from the Ga. Department of Agriculture's Veterinary office. For more information or questions, please email Jason Duggin at [jduggin@uga.edu](mailto:jduggin@uga.edu).
