

2025 AGROFORESTRY AND WILDLIFE FIELD DAY

Sept. 18 Westbrook Research Farm, UGA Griffin Campus 8 a.m. Griffin

Land and pond management techniques, managing for wildlife, forest management, backyard wildlife and financial assistance for landowners are all subjects that will top the list at the 2025 Agroforestry and Wildlife Field Day. This unique educational event features federal and state government agency officials and representatives of private businesses to provide management recommendations and demonstrate real-life techniques. Registration opens at 8 a.m., with topic discussions scheduled between 9:15 a.m. – 4:15 p.m. Attendees will shuttle between field day topic sites on foot or via tram and will receive a take-home booklet with in-depth topic and speaker information. Continuing Education Credits (CEU) will be available for several fields, including pesticide (several categories), forestry, loggers, arborist and wildlife. Registration is \$35 and includes a full day of topics, an AgroForestry and Wildlife Field Day book, lunch and a Hat. After Aug. 21 cost increases to \$40 and a hat is not guaranteed.
