

COTTON & PEANUT RESEARCH FIELD DAY

Sept. 2 UGA Tifton Campus Conference Center 8 a.m. Tifton

The Georgia Cotton Commission, Georgia Peanut Commission and the University of Georgia Extension Cotton and Peanut Teams, co-sponsor this joint research field day. The purpose of the tour is to showcase current research, which is funded by the respective commissions, in plot-side presentations by the researchers. The sponsors' goal is to provide an educational environment for cotton and peanut farmers and give them the opportunity to pose questions directly to the researchers and to express opinions and concerns pertinent to the production of their crops. The field day will start at the University of Georgia Lang Farm located at 230 Rigdon Aultman Road. Attendees will tour several trials and hear from speakers. Attendees will return to the UGA Tifton Campus Conference Center for lunch and a short program. **The field day is a free event, but attendees are encouraged to RSVP to Mallory Marchant at mallory.marchant@uga.edu or calling 229-386-3366 to provide an accurate count for lunch.**
