

## **APPLE, BLUEBERRY, PEACH & WHOLE FARM CROP INSURANCE**

The USDA's Risk Management Agency (RMA) reminds Georgia apple, blueberry, and peach growers that the final date to apply for crop insurance coverage for the 2025 crop year is November 20. Growers who are interested in the Whole-Farm Revenue Protection policy and are late fiscal year filers have until **November 20** to apply for crop insurance. Current policyholders who wish to make changes to their existing coverage also have until the November 20 sales closing date to do so. Federal crop insurance is critical to the farm safety net.
