

## **PROJECT UPDATES:**

June 30, 2022

In accordance with our typical practice, now that the summer season is here, we try to limit the amount of construction taking place on public property, in order to minimize the disruption to our residents and visitors, as for many, this time of the year is precious. We also are in the process of preparing and putting into place plans for the next round of capital improvements throughout the City. As these projects move forward through the design, bidding, and construction phases, we will continue to provide you with updates on their progress.
