CITY COUNCIL'S MESSAGE *November 17, 2022*

At the start of the November 9 City Council meeting, Mayor Desiderio reminded everyone that Sea Isle City's annual Veterans Day Ceremony was scheduled to take place on November 11. Afterwards, City Council President Mary Tighe announced that there is a Capital Plan Workshop scheduled on Tuesday, December 13, at 1:00 PM inside Council Chambers — and the public is invited to attend the workshop.

Each of the resolutions on the November 9 consent agenda was approved, including…

- Resolution 197, which approved the latest vouchers for payments of goods and services received by the City.
- Resolution 198, which authorized Transfers of Appropriations, which is a routine occurrence in the year-end budget process.
- Resolution 199, which ratified an agreement between the City and our municipal employees regarding the city's new health care plan, which will extend through December 2023.
- Resolution 202, which authorized a payment of $3800 to DeBlasio & Associates for the creation of a Sediment Control Plan, which is required as part of the process of demolishing the former public school building.

Our next City Council meeting will take place on Tuesday, November 22, at 10:00 AM inside council chambers — and we hope to see you there!

Best regards from the members of City Council,
