Feeley announced the results of the recent "Swimming Pool Survey" and the non-binding referendum question that was on the November 5 election ballot. Mr. Feeley explained that the majority of the property owners and residents who completed the survey and answered the referendum question are not in favor of the City constructing a municipal swimming pool. Next, Mr. Feeley asked for a motion from Council to instruct the City's Administration to begin the process of planning the construction of a new recreation facility at 4501 Park Road without a swimming pool, which each council member present supported adding to the Consent Agenda.

Each of the resolutions on the November 12 Consent Agenda was approved, including...
