CITY COUNCIL'S MESSAGE *February 6, 2025*

During the January 28 City Council meeting, Ordinance 1723 was Introduced with First Reading. Ordinance 1723 is a Bond Ordinance that appropriates $9,555,000 for a variety of capital improvements, including the acquisition of equipment and vehicles, city-wide road reconstruction and other infrastructure upgrades, and various improvements to city buildings and facilities. The items listed in this annual bond ordinance were previously approved in the city's 2025 Capital Plan. Ordinance 1723 will have Second Reading (and possible adoption) during the February 25 City Council meeting.

Each of the resolutions on the January 28 Consent Agenda was approved, including Resolution 017, which confirmed Vincent Morrison as Municipal Judge, as part of the Shared Services Agreement between Sea Isle City and Dennis Township. City Council feels that Judge Morrison has done a very good job serving as our Municipal Judge over the years – and we also feel that Shared Service Agreements are cost-effective measures that benefit our community.

Additional resolutions that were approved on January 28 include…

- Resolution 012, which authorized a Professional Services Contract (not to exceed $79,000) with Contemporary Technologies, of Wildwood Crest, NJ, for IT Management Services for 2025.
- Resolution 021, which authorized the Approval of a Raffle Application for VFW Post 1963.
- Resolution 022, which authorized the use of various National Co-Op Contracts, including with Amazon, GovDeals, and Home Depot Pro.
- Resolution 028, which authorized a Cooperative Pricing System for the purchase of various Gym Equipment for Sea Isle's future Community Center in the amount of $270,013, which was budgeted separately from the funds that were appropriated for the construction of the building and were included in a prior bond ordinance.

Our next City Council meeting will be held at 10:00 AM on Tuesday, February 11, on the third floor of City Hall – and we hope to see you there!
