CITY COUNCIL'S MESSAGE ***November 12, 2026***

At the November 10 council meeting, Mayor Desiderio reported that the Townsends Inlet dredging project has been completed, providing for safe navigation in and out of the inlet. The mayor also reported that this coming Saturday, November 14th, at 1:00 p.m., the fire department will hold their 135th anniversary and dual-housing celebration at the firehouse next to City Hall.

During the new business portion of the meeting, Councilman Ciseck requested that the Planning Board and Zoning Board live stream their meetings. This request will be brought forward to the respective boards. Also during new business, Councilman Ciseck submitted a list of questions to the administration regarding the financial impact to the city due to the conclusion of the shared service agreement with Ocean City for business administrator duties. The administration will provide a response within the next two weeks.

Also on November 10, council held a capital plan workshop and reviewed the proposed 5-year capital improvement program with the administration. A link to the proposed capital plan is on the mayor's message today.

Each of the resolutions on the consent agenda were approved, including…

- Resolution 151, which authorized the approval of vouchers.
- Resolution 152, which authorized a winter termination program for the Water and Sewer Department, prohibiting termination of services from November 15th through March 15th for residential customers that meet certain requirements.
- Resolution 153, which authorized the cancellation and adjustment of certain water utility charges due to a meter error.
- Resolution 154, which authorized the transfer of appropriations.

During the “Citizen Comment” portion of the meeting, two citizens stepped to the microphone and complimented the city on the Halloween Events recently held and on the Christmas decorations that have been placed around town.

Our next City Council meeting will take place on Tuesday, November 24, at 10:00 AM on the third floor of City Hall – and we hope to see you there!
