CITY COUNCIL'S MESSAGE ***September 18, 2025***

During City Council's September 9 meeting, each of the resolutions on the Consent Agenda was approved, including…

- Resolution 161, which awarded a contract in the amount of $506,878 to South State, Inc., of Bridgeton, NJ, for the reconstruction of 55th Street (Landis Avenue to Roberts Avenue).

- Resolution 162, which authorized the Submission of a Corrective Action Plan to the New Jersey State Comptroller, confirming that adequate funds are in Sea Isle City's Lifeguard Pension Trust Fund to fund all expenses for the year.

- Resolution 163, which was written to urge the New Jersey Governor and Legislature to enact regulations governing the operation of Electric Bicycles and Scooters on public streets, sidewalks, bike paths and other public areas, to enhance public safety.

During the "New Business" portion of the September 9 meeting, Councilman Ciseck suggested that City Council meetings should be broadcast to the public via live-stream or some other video format, and a discussion about his suggestion followed. City Council is looking into this idea and will alert the public if any new communication system is put into place.

After Councilman Ciseck spoke, Councilman Jargowsky inquired if an outdoor shower (for rinsing purposes only) could be added to the Beach Patrol Headquarters at 44th Street, where there is currently a rinse-station for feet.

During the "Citizen Comment" portion of the September 9 meeting, six property owners stepped to the microphone to share their thoughts and ask questions, at which time several of them expressed their support for broadcasting the City Council meetings.

While City Council discusses the concept of broadcasting meetings, the public is reminded that there is no need to wait for a City Council meeting to ask questions or express concerns. Comments in the form of emails and phone calls are always welcomed by City Council, the Mayor, and the city's Administration – and municipal contact information can easily be found on the City's website, www.seaislecitynj.us. City Council's email addresses are also included in each of our E-Newsletter messages. Also, for your convenience, meeting agendas are posted in advance of all City Council meetings under the "Government" tab on the home page of www.seaislecitynj.us, where you can also find meeting minutes, after they are approved by City Council during the following meeting.

Please be aware that City Council will host a Capital Plan Public Workshop on Wednesday, November 12, at 1:00 PM on the third floor of City Hall.

The next regular City Council meeting will take place on Tuesday, September 23, at 10:00 AM on the third floor of City Hall – and we hope to see you there!

Best regards from the members of City Council,
Council President Mary Tighe (mtighe@seaislecitynj.us)
Ian Ciseck (iciseck@seaislecitynj.us)
Frank Edwardi (fedwardijr@seaislecitynj.us)
Michael Jargowsky (mjargowsky@seaislecitynj.us)
William Kehner (wkehner@seaislecitynj.us)
