CITY COUNCIL'S MESSAGE *February 20, 2025*

During the February 11 City Council meeting, Ordinance 1722 was adopted, following its Second Reading and Public Hearing. This ordinance was written to allow a small increase in fees for seasonal boat slip rentals and boat ramp usage at Sea Isle City's Municipal Marina along 42nd Place.

Each of the resolutions on the February 11 Consent Agenda was approved, including…

- Resolution 031, which authorized the re-establishment of Sea Isle City's Green Team Advisory Committee. The Green Team's mission is to advise the city on ways to improve municipal operations with "green" initiatives that are economically and environmentally sound, through research and evaluation.
- Resolution 032, which confirmed Thomas Rossi and Kyle Weinberg, of Blaney, Donahue & Weinberg, to be Municipal Prosecutors for 2025, as part of the Shared Services Agreement between Sea Isle City and Dennis Township.
- Resolution 033, which authorized a Change Order for Municipal Project SIC0254 for Storm Sewer Repair and Replacement at 325 45th Place. Change Orders authorize a contractor to modify the overall scope of a project – and this Change Order resulted in a decrease of $4,501 in the payment to Think Pavers Hardscaping, of Mount Royal, NJ.
- Resolution 034, which authorized a Refund of Payment (in the amount of $20,000, plus accrued interest) for Rental Bond Money, related to a rental property at 16 68th Street, following at least four years since the most recent noise violation against that property.

Our next City Council meeting will be held at 10:00 AM on Tuesday, February 25, on the third floor of City Hall – and we hope to see you there!
