CITY COUNCIL'S MESSAGE ***August 8, 2024***

There has not been a City Council meeting since Sea Isle's most recent E-Newsletter, so there is not any new Council business to report at this time. However, City Council is happy to acknowledge that the summer of 2024 is going very well, and we are extremely grateful to all of the people who are making this a successful season – including our municipal employees, local merchants, property owners and visitors.

Even though it is turning out to be a wonderful summer, we respectfully remind everyone to make "safety" a top priority as you enjoy the month of August. This includes bicycle safety – and remembering that bicyclists should ride single-file and obey the same laws that motor vehicles must follow. Also, when going to the beach, please pay close attention to all the directions given by our local lifeguards, because they understand surf conditions much better than the average beachgoer. Hurricane season has arrived, and even though the ocean is beautiful it can indeed be dangerous, so please use caution whenever you go to the beach – and only enter the water when a lifeguard is present.

The next City Council meeting will take place on Tuesday, August 13, at 10:00 AM on the third floor of City Hall – and we hope to see you there!

Best regards from the members of City Council,

Council President Bill Kehner (wkehner@seaislecitynj.us)
Frank Edwardi (fedwardijr@seaislecitynj.us)
J.B. Feeley (jbfeeley@seaislecitynj.us)
Jack Gibson (jgibson@seaislecitynj.us)
Mary Tighe (mtighe@seaislecitynj.us)
