RE: Flood Insurance Promotion Meeting

Dear Property Owner:

Sea Isle City is expanding its public outreach to residents in and adjacent to the Flood Hazard Area. Currently residents receive a discount on flood insurance rates because our community is in the Community Rating System (CRS). This rating is based on the various activities that the City does. Buildings located in the Flood Hazard Area are required to have Flood Insurance. Buildings being insured help our town respond quicker after a flooding event. This year we want to invite you to have experts review your elevation certificate and flood insurance policy to see if you are being rated correctly.

We will hold a meeting on May 6, 2023, at 10:00 AM at the Sea Isle City Community Lodge in conjunction with our community day. The meeting is being sponsored by Flood Risk Evaluator (FRE). We will have insurance agents, and our floodplain manager in attendance to help review your documentation to make sure your home is being rated accurately. There is no cost or obligation to change your insurance as part of this review.

Please bring your elevation certificate, flood insurance declaration page and two pictures of the exterior of your home. We hope to see you at the meeting on May 6th. If you can't make this meeting, please try to attend one of the other sponsored meetings held throughout the year.

If you have any additional questions, please reach out to our floodplain manager, Neil Byrne at 609-263-1166 or nbyrne@seaislecitynj.us

Sincerely,

Leonard C. Desiderio
