Promenade Lighting Project

On February 26, 2019, City Council awarded a contract to Delta Line Construction, of Egg Harbor Township, NJ, in the amount of \$843,300 for the Promenade Lighting Project - Phase 1. The project is for decorative lighting on the Promenade from 35th Street to 44th Street and will include installation of a public address system on that section of the Promenade. A preconstruction meeting took place on March 19, 2019. Materials have been submitted for approval to the City Engineer. Work was deferred until the fall to avoid inconveniencing businesses, residents and visitors during the busy summer season. Work on foundations is completed. Light post installations are nearly completed. Conduit installation continues. Lights under the pavilion are completed. Pedestrians should be aware of and cautious of the active work area during excavation over the next week or so, as there will be additional machinery on the promenade. The photo below of the Promenade (at the Spinnaker) was taken on March 26...
