4293 Townline Rd, Tremont, Illinois

COMPLETE EVENT DETAILS ON THE BACK

EVENT DETAILS

JOIN US AUGUST 6, 7 OR 8 FOR PROVING GROUNDS 2019

Ride next to combines as they harvest, planters as they plant, rippers as they rip and sprayers as they apply nitrogen and fungicides.

YOU'LL BE IN THE FIELD...

Measuring leaf area indexes from different plant types, row spacings and populations. // Testing starter application methods.
Comparing the emergence between different tillage and planter systems. // Testing nitrate levels and adjusting N application rates.
Measuring the impact of seed quality on planting date and ear count.

Throughout the day, you will have your choice of a dozen different agronomic sessions and demonstrations.

YOU SET YOUR SCHEDULE. YOU PICK THE TOPICS MOST IMPORTANT TO YOU.

GREGG WILL BE GUIDING FIELD DEMONSTRATIONS USING OUR 240-SEAT TRAMS.

The trams pull alongside combines, rippers, planters and sprayers so you get an up-close look at new technology as Gregg describes the agronomic benefits behind each innovation.

Plus, you'll have over a dozen options for food. We'll have food tents throughout the Proving Grounds – serving all day.
Uncle Bob's ice cream at 9am? Sure. Steak sandwich for an afternoon snack? Sure.

You'll head home with a head full of new ideas and a stomach full of great food.

To ensure that everyone has a great experience, THERE ARE A LIMITED NUMBER OF SEATS.

So it is important to [register](#) to hold your spot in the field and on the trams.

Held at our Proving Grounds farm, at the intersection of Interstate 155 and Townline Road, just south of Tremont, IL
24293 Townline Rd, Tremont, Illinois.

We'll start with registration beginning at 7:30am // Kick off with opening comments from Gregg Sauder at 8:15am
And have you back on the road by 3:30pm that afternoon.
