

Remembering Owen Solomon Truck Stop Ministry 2000-2020

Owen Solomon of Dunn graduated to heaven on his 84th birthday April 9, 2021. What a way to celebrate your birthday after a very difficult year with two broken hips.

Owen faithfully served as chaplain for the LRBA Truck Stop Ministry for 20 years. For many years, Owen and his wife Helen hosted truck drivers and visitors in a chapel room at Sadlers Truck Stop on I -95 and were on call.

Owen has shared Christ, given out Bibles and Gospel tracts, prayed with and counseled with thousands of people over the last 20 years. Only heaven will reveal the true eternal impact of this man and his passion for ministry.

Even as his health declined in later years and COVID kept people out of the Truck Stop Chapel, Owen was faithful to be available by phone 24/7 to counsel and pray with truckers and travelers.

Please keep Owens' son Raymond and his family in your prayers and especially Helen who faithfully served along side Owen all these years. She told me, "I'm so lonesome, I could cry" like the country song.

Helen loves visitors at her home. You are welcome to send cards and gifts to: 738 Queens Ave., Dunn, NC 28334.
