

DNow Event September 16th & 17th at Piney Grove Chapel Baptist Church

Registration- I will be sending out a Google Form in August, that parents can fill out online or they can bring in a printed hard copy. Students will need to register at least one week prior to the event so that we can have numbers for food and fun activities. There will be a registration table at the door for Friday night where you will check your group in and any last minute students who want to come can also register there.

Registration Fee: Each student will be \$20 a head; this is to cover the cost of food, supplies, speaker and music.

Speaker- Jacob King from Clayton King Ministries; below is a little bit about him

Jacob began teaching the Bible and leading students at a very young age. Through speaking at local YCI clubs, youth rallies, and student events, Jacob quickly realized that a life of ministry and preaching the gospel is what God had in store for him. Now, Jacob has spoken at churches all over the country, and has done ministry beside countless speakers, pastors, and church leaders. He's passionate about encouraging students to be bold with their faith and lead by example in their daily contexts. Jacob currently lives in Anderson, SC where he is pursuing a degree in Christian Studies at Anderson University.

Music- Charlee Buitrago- Singer/Guitar player

Food- Friday Night will be pizza, Saturday morning will be easy pick up breakfast like cereal, doughnuts and things like that, Saturday lunch will be sandwiches, chips, cookies and Saturday dinner will be taco bar. There will be a place on the registration form for students to list what they would like for lunch as well as any allergies or dietary restrictions.

Service Project- The service project will be packing AGAPE kits. Students will be instructed to take one or more with them to give out to those they see in need, keep in their cars or give out to whoever they think needs help and God's love. Attached on the back is a list of supplies that we need each church to either hand out to their youth group or the whole church to encourage them to bring those said items so that we can pack the bags with them! Our goal is to pack 100 kits!

Fun Activity- Will be a picture Scavenger Hunt at Campbell University and possibly a Pelicans Snoballs run

Volunteers: Your leaders are welcome to join and help out wherever they would like. If they do plan to come the whole weekend we will need them to register as well, so they are counted in the total for all meals.

WEEKEND SCHEDULE

Friday Night
