Christhaven Church is now forming in the city of Fairhaven, Massachusetts. Many of you know or have heard of Jessie and Carrie Danner who felt a strong call of God to move their family from Harnett County to take the Gospel to an under-churched community in New England. Coats Baptist Church was their home church.

The Elders of Crossroads Church in Lillington feel so strongly about Jesse's faithfulness in his walk and calling that we support them monthly with a financial gift and pray for them regularly. Our student group spent a week this summer helping work on the inside of their future home. Christhaven has, with the help of Neighborhood Churches network and many individual and church donors, purchased a beautiful old church building that had sat empty for more than a decade. Before they begin to have regular worship services (hopefully next spring) there are several things that still need to be done.

Our church felt particularly drawn to the need of replacing the roof on all but the sanctuary portion of the building. Maybe that is, in part, because our student team got to see how badly the roof leaked while they were there. We have a team of men who will be traveling on Friday, September 18 and will begin replacing the roof starting on Saturday, the 19th. We have a man who is a roofing contractor who will be leading a team of volunteers to do the work. Crossroads would like to take care of this large repair project so that it doesn't cost Christhaven Church anything. We estimate the total project costs to be about $15,000.

Here is our challenge: We (Crossroads) will match dollar for dollar, any donations to the roof project that are given from outside of our congregation. So if your church could give $1,000 – that gift becomes $2,000 when we match it. Whatever size of gift you make individually or as a church will be doubled, up to a total amount of $7,500, which would then put us at the goal when Crossroads adds the matching funds to it.

The more the better when it comes to the volunteer labor. If you're in good health and can get there, our team leader Tripp would be happy for you to join us on the trip. We'll be installing a metal roof system.

Should you decide to donate to this effort, here is a QR code that will take you to our giving page. Please select "Christhaven Roofing Fund" as the destination for your gift.

Thank you for what you are doing locally in your ministries. We hope you will prayerfully consider making an investment in this Kingdom work that will be happening through Christhaven.

For God's Glory,

Ken Dalton
Lead Pastor and the Crossroads Church Elders

"Let me hear in the morning of your steadfast love, for in you I trust.
Make me know the way I should go, for you I lift up my soul." - Psalm 143:8
