HENRY SCHEIN®

DENTAL FEST TORONTO

CE

Henry Schein Presents:

DOC TALKS - Innovative Ideas for the Dental Practice

At Dentalfest, we are bringing you fast paced and innovative CE from four top Speakers and Educators in the Dental Industry. If you and your Team are looking for better team engagement and team building, improved patient care, practice efficiency, better financial returns and new innovations through technology- you will get it all from DOC TALKS! Don't miss it- bring the whole Team!

How I Get 100+ New Patients per Month

Dr Aisling Whitaker is a General Dentist and Clinic Owner of Bitehaus Dental in Toronto. Prior to and while training in dentistry, Aisling supported dozens of dental clinics with website building, marketing, branding and implementing digital business organization strategies. In 2021, she co-founded Dental Hive, a mobile app that is a growing virtual community where all dental professionals can come together to find jobs, networking, support and professional leadership. Aisling will be sharing how she has consistently gained 80-150 new patients per month and give insights into strategies for you to grow your clinic.

The Patient Experience

Dr Sanjukta Mohanta practices general dentistry at a publicly funded dental clinic in Brampton. She graduated from the University of Toronto, Faculty of Dentistry in 1999. She is a writer, educator, organizer, advocate and volunteer. She recently received the Ontario Dental Association Service Award. She is excited to share how to create positive patient experiences.

Personal + Practice Growth

Azeem Sheikh, BS, DDS, has been practicing for 20yrs in the GTA. He is the course director for Hiossen Implant and the founder of the Ontario Dental Implant Network (ODIN) which provides mentorship and courses to over 120+ dentists across Ontario. Dr. Sheikh is excited to share his knowledge and experience on how focusing on personal growth can lead to more enjoyment in your career and ultimately result in positive growth of your practice.

Handling Common Scenarios in the Office

Dr Mark Eckler is a certified orthodontist with over 25 years of practice. He is very passionate about customer service in dentistry and has given over 120 seminars. Mark's first loves are his teenage daughters, wife and rescue dog Izzy.

Bonus Speaker: Michelle Glover-DaCosta

Dentistry in the Clouds: The Future of Dental Care

Michelle is the Senior CAD/CAM Manager at Dentsply Sirona where she provides end-to-end digital solutions for dental practices. She has delivered seminars across Canada and is speaking at DS World this year in Las Vegas. Michelle brings her passion and experience training with Cerec doctors in Scottsdale, Arizona and shares the very practical applications for your dental practice.
