# message from our LEADERSHIP TEAM

Thank you. Thank you for your ongoing commitment to King David, and all that you do each year to make our work possible. Your continued support is the truest demonstration of your belief in our school and our mission.

The past 18 months, as we navigated the impact of the pandemic, reminded us all of many things – of what is truly important. It highlighted our school's strong sense of community, our deep connection to each other, and how much we are able to accomplish and overcome together. We were all reminded how important King David High School is to us – as administrators, as teachers, as parents, as community members – but most of all, it reminded us how much stronger we are with you by our side.

The work that we do each and every year is possible because of the support of our community. For over 16 years, King David has continued to nurture Jewish values and Jewish life in our students, while preparing them to be advocates, entrepreneurs, and leaders in their communities to affect change all over the world.

At King David, our children learn what it means to be a designer of the Jewish future while upholding the values and traditions of the Jewish past. At King David, they learn the tools to make a difference in the world by being an informed learner, listener and leader. At King David, they become part of a community that will continue to serve them long after they have graduated.

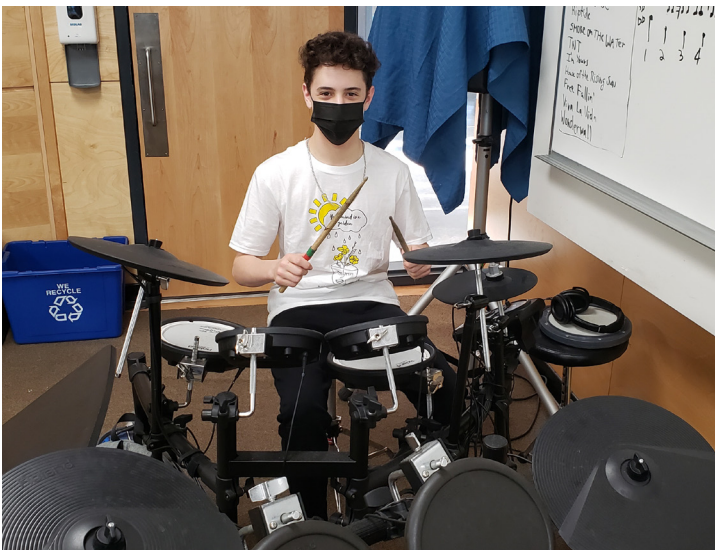

Thank you for ensuring that King David remains a pillar of strength for our community, and for the many generations to come.

With sincere gratitude,

Russ Klein  
Head of School

Rabbi Stephen Berger  
Head of Judaic Studies

Jackie Cristall Morris and Neville Israel  
Co-Presidents, Board of Directors

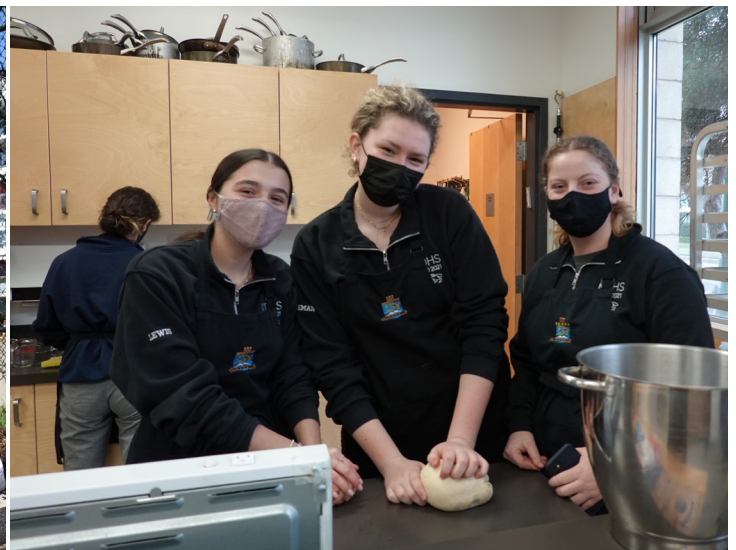

# message from our **TREASURER**

Having received the official numbers from our auditors, I am pleased to report that the 2020-2021 fiscal year concluded once again with the school outperforming budget and achieving a surplus. The surplus is with thanks, first and foremost, to our very generous donors. We are sincerely grateful to all who continue to support us through the COVID-19 pandemic and enable us to provide financial support to families experiencing financial hardship and uncertainty. With an ongoing commitment to being a community school, we are proud to have continued to maintain a strong financial assistance program, ensuring King David remains a viable and accessible high school for Jewish students in Vancouver.

In addition to donor support, our administration has continued a practice of careful financial management, appropriate staffing levels and control over administrative expenses. King David's performance demonstrates the administration's fiscal competence and commitment to balance operations on a sustained basis. Based on strong financial performance, the school continues to build on its existing strengths, to expand and enhance its curriculum in the coming year, and to meet challenges head-on.

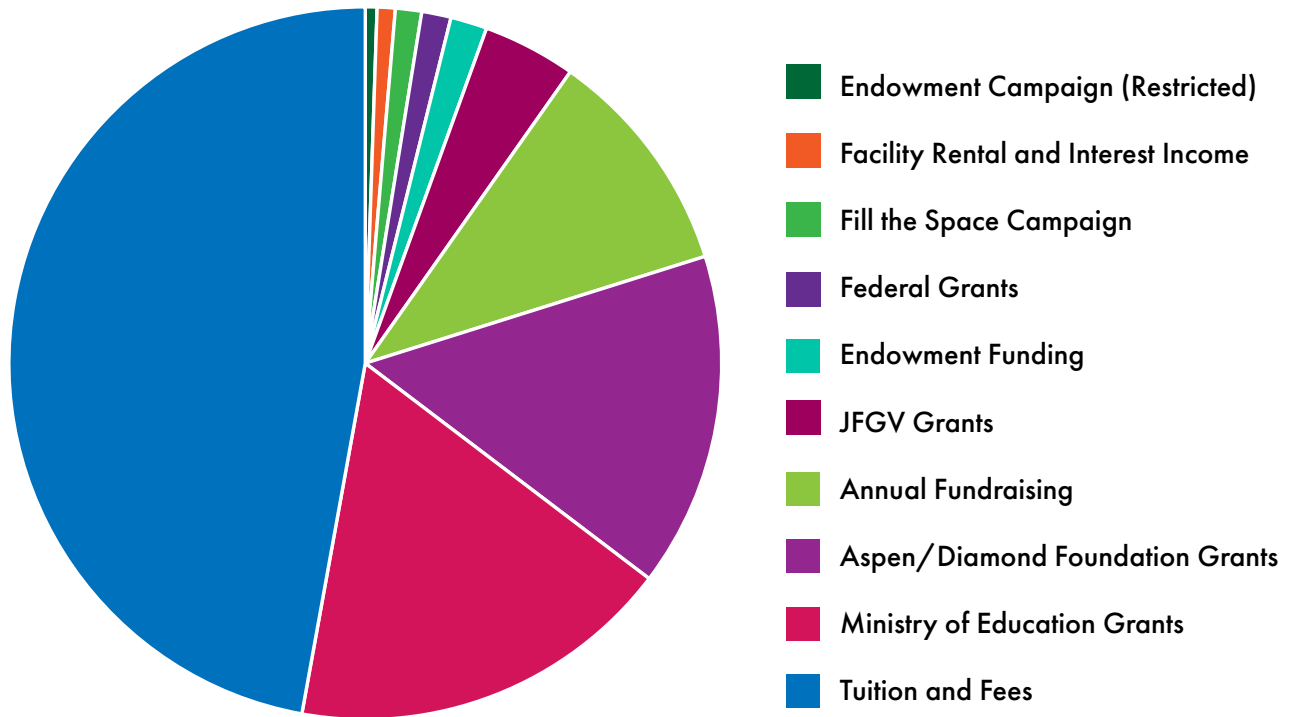

We wish to thank Russ Klein and his whole King David team, including Sandy Jorgenson, Business Manager, for their dedication, and for all the hard work they put into the school throughout the year. Finally, we are grateful to the members of the Finance Committee who bring strong financial backgrounds, professional designations, and management experience to the financial oversight and direction they provide to King David.

Diane Friedman  
Treasurer, Board of Directors
