

Recommended Reading

- > Age appropriate reading for 4-12 year olds — parental guidance is recommended for all materials.
- > Search for titles on YouTube for readings so you can preview the book or watch with your child (most but not all are available), and look for author websites with more resources.
- > Play the “What If” game: Pause during your reading and ask what your child might say or do in this situation. What if they were the person in trouble? What if they were seeing it happen to someone else?
