BACKING UP AND SYNCING YOUR TECHNOLOGY

Friday, March 27, 11:00 am- 12:00 pm (Free) Room 207

Join Stephano Migliuolo, from NCC's Tech and Tutors Program, for this overview of Backing up and Syncing your technology.

Learn about Backing Up which creates a secure, independent copy of data to protect against loss, and Syncing which mirrors files across multiple devices for real-time access and consistency.
