K-State Research and Extension is an equal opportunity provider and employer.

Calling All Youth 10 and Older:

Are you at least 10 years old and interested in becoming a babysitter? Join K-State Research and Extension along with community partners to learn about the responsibilities of babysitting.

Youth will gain knowledge in preparing for the role of a babysitter, food safety, nutrition and wellness, basic first aid/CPR, child development, safe practices for infants, and activities for young children.

Participants will leave with confidence and skills acquired to care for young children! Resources and handouts will be provided to each participant.
