## GOOD JOBS CHALLENGE GRANT

The Fresno-Madera K16 Collaborative has established a partnership with the Fresno Economic Development Corporation (EDC) as part of the Good Jobs Challenge Grant initiative to offer a range of certification courses at Fresno City College.

This collaboration is designed to benefit students enrolled in the Maintenance Mechanic, and Maintenance and Light Repair programs in several significant ways.

### How eligible students can benefit:

Childcare  
(up to 10y/o)

Tuition support

Parking passes

Books/Uniform fees

Gas gift cards
