- Demonstrate bookkeeping skills acumen in a tangible, measurable way
- Position yourself as a credible job candidate to employers

Quickbooks Certified User

This program provides an easy-to-understand platform for students to grasp accounting concepts while honing skills in the most prevalent bookkeeping application in small business today. Familiarity with QuickBooks is an important skillset to have among many professional workplaces, whether you are preparing for an entry-level position or are an experienced professional. The material is presented in a step-by-step manner, which will provide students with a hands-on experience. The course also includes practice exams, so you can test your skills at regular intervals throughout the material. Through these methods, you will learn essential introductory and advanced QuickBooks skills. Upon completion of this program you will be prepared for the QuickBooks Certified User Certification exams. The QuickBooks Certified User certification is an industry-recognized credential that effectively validates one's skills in QuickBooks accounting software.

Cost:

\$600 for the course. (Discounts available for MUSD employees)

Exams will cost \$102.99 and includes one retake (Students are responsible for purchasing their own exam keys from Certiport).

There will also be a \$35 proctor fee for each exam

Class times:

Tuesday and Thursday 1:00pm to 4:00pm.

Online Course Options:

Requires the student to have access to the internet via an internet capable device.
