

A NOTE FROM SHERRI WATKINS, EXECUTIVE DIRECTOR
STATE CENTER ADULT EDUCATION CONSORTIUM (SCAEC)

Welcome to the 2023 – 2024 School Year!

We are thrilled to have each and every one of you joining us on this journey of knowledge, growth, and working together. This school year, we will celebrate 10 years of collaboration with our adult schools, colleges, community based organizations, and our workforce partners. Our consortium has grown to 22 members which includes four community colleges, two community college centers, two regional occupational programs, a young adults in corrections program, and 15 adult schools.

This year promises to be an exciting one, filled with opportunities for learning, skill-building, and expanding your horizons. Some community college classes are now being offered on adult school campuses for convenience and accessibility. And there are opportunities for adult students enrolled in an adult school diploma program to qualify to take up 11 credit bearing units at a community college for free!

Whether you're here to enhance your career prospects, explore new interests, help your students, or simply continue your lifelong pursuit of knowledge, our team of transition specialists are here to support you every step of the way. Visit our website at <https://www.scaeclearns.org/> to learn more about SCAEC and to make an appointment with one of our transition specialists and to find a list of the schools within our consortium.

Best wishes for a rewarding school year!
