

## Dear Members of the SCAEC Community,

Welcome back to the 2024-2025 school year! We are pleased to have you joining us for another exciting year of learning, growth, and collaboration.

This year, we will continue supporting our 21 members and the adult students within the State Center Adult Education Consortium (SCAEC). Our consortium has grown stronger and more vibrant, and we look forward to our 11<sup>th</sup> year of achieving great things together.

### What's Happening at SCAEC:

- **SCAEC Transitions Team:** Our dedicated Transitions Team is here to support students with their next steps in education and career planning. Whether in person, by phone, or via Zoom, we are ready to assist. Visit our student and teacher resource website at [SCAEC Learns](#) for valuable resources and to schedule an appointment with a Transition Specialist.
- **SCAEC Three-Year Regional Comprehensive Plan:** We begin the final year of the implementation of our 2022-2025 Three Year Plan. If you would like to see what is in store for our region, you may access the SCAEC 2022-2025 Plan [HERE](#). This year, we begin planning for our FY 2025-2028 Three-Year Regional Comprehensive Plan. In order to be certain we capture the true needs of our community, we would appreciate your participation in our survey. Once we receive guidance from the CAEP Office, we will share a survey for you to provide your input, ideas, and feedback to help us to understand the needs in our region. Please be on the lookout for the survey which will be in our SCAEC Newsletter and available on our website, and please share it with others!
- **Stay Connected:** Don't miss out on important updates and success stories! Sign up for the [SCAEC Newsletter](#) by visiting our home page and scroll to the bottom of the page. If you have a success story to share, we'd love to hear from you. For more information about adult education in California, visit the California Adult Education Program (CAEP) website at [CAEP](#).
