

## Professional Learning Opportunities by CALPRO

CALPRO is offering a number of [PROFESSIONAL LEARNING OPPORTUNITIES](#) for May and June 2018.

In May and June CALPRO will offer the following regional Communities of Practice (CoP): *Effective Teaching for Adult Educators* ([San Diego](#)) and *Accelerated Learning to Facilitate Career Pathways* ([Corona](#), [Santa Monica](#), and [Stockton](#)).

Additionally, in May and June, CALPRO will offer the following facilitated online courses: [Optimizing ESL Instructional Planning: Management, Monitoring, and Reflection](#) and [Integrated Education and Training](#).

The [Evidence-Based Reading Instruction Institute](#) continues throughout the months of May and June; this learning opportunity is in the same blended learning format CALPRO CoPs are known for. The goal of this Institute is to provide teachers with the tools to deliver effective reading instruction. EBRI is not a curriculum or a set of materials. It's an approach to teaching reading using evidence-based practices.

Also in May and June, CALPRO is offering a series of Online Workshops in real time: [Integrated and Contextualized Workforce Skills](#). Find out what contextualized instruction is and how it benefits your learners to succeed in the workforce. This training emphasizes the need to teach transferable skills directly and the connection between using these skills in the classroom and in the workplace. It also offers examples of contextualizing ABE/ASE and ESL instruction easily by using workplace activities and forms.

In June both the [Professional Learning Communities](#) and [Leadership](#) Institutes will hold their concluding sessions at the CALPRO offices in Sacramento.
