Back-to-School Tech Integration Training

As planning for the next year begins, consider having OTAN be a part of your back-to-school event. OTAN can provide the EdTech professional development needs of almost any adult education program. To inquire about scheduling OTAN workshops at your back-to-school event, call (916)228-2580 or email a request to support@otan.us.

-> Digital Leadership Academy (DLAC): <https://www.otan.us/digital-leadership-academy/>

OTAN's Digital Leadership Academy assists agencies in meeting their technology integration, or online or blended teaching goals. The program is designed to be flexible in how agencies can best use the resources offered by OTAN to support their own agency goals. DLAC will be aligned to the Technology and Distance Learning Technology Plan filed by all WIOA funded adult education agencies. Applications for the next round of DLAC, from 2018
