

Money Mondays!

with Golden 1 and Literacy Services Center

You will be in a safe welcoming environment with other Adult learners who are looking to learn more about money.

Mondays at 7 pm over Zoom

February 24th-Banking Basics

One of the first steps in effectively managing your finances is learning how to master your bank accounts. Join us as we discuss the differences between banks and credit unions, provide an overview of savings and checking accounts, and explore the fundamentals of online and mobile banking.

March 3rd-Building a Better Budget

Everyone wants control over their financial lives, but how do we get it? In one word: budget. It's the most powerful weapon to get a more secure future. Participants will identify short- and long-term goals and learn how to design realistic spending and savings plans to achieve them.

March 10th-World of Credit

Learn about credit bureaus and credit scoring as well as how to improve your credit score. Find out how to dispute credit report inaccuracies and deal with identity theft and fraud.
