

Have you witnessed any act of bravery or danger encountered in the UK by an individual in assisting others?

Are you aware of an individual who has made a major contribution to the protection of people and their liberty?

*...if the answer is **yes**, then we want you to share that information with us.*

This is your opportunity to nominate people who are worthy of receiving this unique award. The Sheriffs' Award is designed to recognise and honour a person or persons who have shown courage and initiative in protecting People, Property or Liberty.

The sponsors are The Worshipful Company of Security Professionals, a charitable company, with the endorsement of the Sheriffs of the City of London, who will be presenting this award at their annual dinner in October.

All nominations will be judged by Committee consisting of and including the Sheriffs of the City of London, The Master and representatives of the Court of the Worshipful Company of Security Professionals.

In addition to receiving this unique award and a cheque for £2,500 the recipient's name will be inscribed in a special Book of Honour and on an Honours Board which are on permanent display within the Central Criminal Court, 'The Old Bailey'.

This award is open to nominations from the General Public, the Business Community, Emergency Services and the Armed Forces.

To ensure your nominee receives the recognition they deserve, nominate them by the 1st August.
