Wednesday, October 10	Today, we pray in the name of St. Francis Borgia, our patron saint. Throughout his life, Francis Borgia was graced with power and privilege. Yet, he never became arrogant or domineering, and he was known by all for his life of humility and faith. He shows us that holiness is not limited to any one state in life, but is rather found by humbly and lovingly conforming to the will of God, wherever it might lead. St. Francis Borgia, pray for us!
