TURN IT AROUND

My name is Hope Augusta, I am 15 years old and go to Boston Arts Academy for school. I've been a member of Turn It Around since November 2020. My hobbies are acting, dancing, and modeling. The reasons I joined TIA are that I wanted to work more with group settings and also provide more for my community. I love my community because it is diverse and so supportive. I hope one day to be an actress or model who inspires others. I've been into performing arts my whole life and would love to be able to share my talent with others.
