Dear Community Partner,

My name is Ginaya Greene Murray and I am the Event Coordinator at the Charlestown Coalition. I also assist in overseeing the Coalition's youth group, *Turn It Around*.

Turn It Around focuses on educating the community on a wide range of public health issues, including addiction, racial and ethnic inequities in health, and more. We also aim to enhance protective factors in youth such as, providing positive adult role models, extracurricular opportunities, and service opportunities. These are proven to reduce maladaptive behaviors in youth, such as substance use and violence.

As part of our efforts to create healthy and unifying opportunities for Charlestown youth, on Saturday, May 16th, 2020, we are hosting our 6th Annual *Turn It Around* Basketball Tournament. This tournament is open to all middle and high school aged youth that are residents of Charlestown. In the past, nearly 75 kids participated in the tournament and this year we're hoping to increase these numbers to well over 100.

This year, the tournament will take place on Saturday from 10:00am-6:00pm at Eden Street Park and consists of a series of 3-on-3 games. The participants are also invited to a dinner and community building activity the night before, Friday, May 15th, from 6:00pm-8:00pm at First Church in Charlestown. The Charlestown community is in desperate need of inclusive teen programming and we've found that this tournament serves as one of the only events in which youth from throughout the neighborhood come out to learn and play together.

In order to make this tournament a success and reach all of the youth that may benefit from it, we are asking for community partners and local companies to serve as sponsors. Whether it is through sponsoring team t-shirts, contributing a raffle item, making a general donation to the tournament, or donating food—any contribution is widely esteemed.

Please see the back of this letter to find out how your business can be advertised as part of your contribution!
