

My name is Carieliz Mahkayla Santiago Borgos. I'm 16 years old and go to Charlestown High School. My hobbies are cheerleading for Charlestown High and I like to draw and paint. The reason I joined Turn It Around is because I want to help the community and be a part of something big. I look forward to participating in Turn It around events to help the community. Some of the things I love about my community are how easy it is to talk to anyone. In the future I want to try multiple things until I find the one thing I love. Something else about me is I have a dog named Jesse, and I can be energetic when I get comfortable with people.
