

My name is Brianna-Colon-Arroyo and I am 15 years old. I joined Turn It Around in 2018 to meet new people and make new friends. It's been very fun so far! I love volunteering and working the Turn It Around events because I get to meet people in my community and share important information about having a healthy lifestyle. What I really love about Turn It Around is that the group is very accepting of others and encourages everyone to be true to themselves. Some of my hobbies include singing, dancing and creating art. Also, one day I hope to become a police officer.
