

Youth of the Month

June

My name is Rahsaan Brown. I'm 17 years old and go to East Boston High school. I've been a member of *Turn It Around* since 2013. My hobbies are playing basketball and listening and writing music. I would say that I am very talented in both. Recently, I just wrote a song and I hope to utilize the resources around me, such as the Boys and Girls Club music studio, to bring my music to life. The reason I joined *Turn It Around* is because I wanted a better life for myself. Joining *Turn It Around* has changed my life for the better and keeps me out of trouble. When I need a place to go or someone to talk to, I know I can count on the *Turn It Around* staff. I can trust them to help me with anything.

I enjoy participating in the *Turn It Around* events because I get to have fun with my friends and give back to the community at the same time. I love my community because it cares about kids my age and the struggles we face. I hope one day to be rich so I can help those around me and not have to stress about paying bills.
