

# Youth of the Month **TURN IT AROUND**

April 2018

My name is Ibrahim Balde and I am 15 years old. I go to Jackson Mann K-8 School. I live in Charlestown and I joined *Turn It Around* through a friend. He told me I could earn money by helping out my community and that it's fun. I joined *Turn It Around* because I liked the things I heard about it, and I liked the logo. It seemed like a great thing to be a part of, which it is! One thing I want to do for Charlestown is to make more activities for the community and through *Turn It Around*, I'm able to help share my ideas and bring them to life.
